You are invited! We are seeking direct care, clinical nurse feedback on the UVA Nursing Professional Practice Model.

Our current model can be found [here](#).

This schematic representation of professional nursing within the Health System will be used in the coming months to inspire nurses and define professional nursing identity.

What will the PPM Workgroup entail?

We need your commitment to participate in about 1 hour of pre-work, and the two 90-minute meetings listed below:

- Session 1: Wednesday, September 11th, 0900-1030
- Session 2: Tuesday, September 24th, 1130-1300

(Locations to be determined; will be sent to workgroup participants closer to the session dates.)
