Subject: You have been selected!

Dear Nursing Colleague,

You have been selected to participate in a very special short term work group to evaluate the UVA Nursing Professional Practice Model. Our current model can be found [here](#). This schematic representation of professional nursing within the Health System will be used in the coming months to inspire nurses and define professional nursing identity. This is an important step in our Magnet Journey.

Jenny Dixon, RN, PNSO President- Elect and Jennifer T. Hall, RN, Magnet Program Manager, have been appointed to co-lead this effort and are available to answer any questions you may have.

Your participation will consist of two 90 minute live work sessions and completion of some pre-work prior to these meetings. You will receive pre-work materials by September 4th. Your total time commitment will be 4 hours.

Session 1: Wednesday, September 11th, 0900-1030

Session 2: Tuesday, September 24th, 1130-1300

I sincerely hope you will accept this invitation to participate in this important work.

Sincerely,
Lorna
