

UVAHS Nursing Education Services' Continuing Education Intranet

An example of the internal web-based resources available to connect staff with the educational opportunities they seek.

The screenshot shows the internal web-based resources for the University of Virginia Health System's Nursing Education Services. The page features a blue header with the university logo, a search bar, and navigation tabs for 'Departments & Services', 'People', 'KnowledgeLink', and 'myLink'. A user profile for 'Deb Curtis' and a 'Logout' button are also visible. The main content area is titled 'Continuing Education (CE)' and includes a list of links for 'Current Class Schedule & Handouts', 'On-line CE Resources', 'CE Direct Application', 'Information for Class Participants', and 'Information for Presenters & Coordinators'. A paragraph explains that staff work with unit-based nurses, administrative leadership, and shared governance committees to identify CE offerings. It mentions that most classes are approved for contact hours and refers to the 'Current Class Schedule' for a list of classes. A section titled 'Looking for a class that covers a specific topic?' suggests checking out the 'Offered Courses List' and finding the course description 'here'. A 'Contact Hour Information' section states that the department is an approved provider of continuing nursing education by the Virginia Nurses Association and accredited by the American Nurses Credentialing Center's Commission on Accreditation.
