

Exhibit 006.b

Centralized Nursing Continuing Education Classes by Target Audience-2014

These are Classroom-based + supported by N.Ed Svcs; doesn't include CBLs or unit-based classes.

Where classes clearly appeal to multiple audiences/specialties, they're listed in those multiple categories.

Dates = a historical repeat pattern, or a one-time class that might be reinstated, if desired.

ADVANCED BEGINNER	ADVANCED - PROFICIENT	PROFICIENT	PROFICIENT - EXPERT	EXPERT	ALL LEVELS (INCLUSIVE OF APN)
----------------------	--------------------------	------------	------------------------	--------	----------------------------------

Expert-level offerings available through funding support for CE Direct, certification review programs, and other external content.
