Subject: Focus Review: Emergency Response in ECCC
When: Wednesday, June 12, 2013 7:30 AM-8:30 AM Eastern Time
Where: Second floor ECCC Room 2248

On behalf of the Patient Safety Committee I am requesting your participation in a Focus Review to be held on June 12, 2013 in the ECCC, Room 2248. This review will discuss the case of patient [REDACTED] who received care with an unexpected clinical outcome on 06/04/2013 while in the Infusion Center. This focused review is a quality review for the purpose of identifying system and process issues that may be amenable to change to prevent a similar event from occurring in the future. The focus review will be utilized to determine root and contributing causes, to determine appropriate corrective actions, to assign ownership of those actions, and to determine outcome measures of success for each action.

Sincerely,

Jeffrey S. Young, MD, FACS
Chief Patient Safety Officer

Pt involved MRN: [REDACTED] date of event : 6/4/13 in infusion center.
