Subject: Moving Again!

Guess What?! We are moving again!!!

The refurbishment of 7 Central is almost complete and we are preparing to move back in. This week we will begin to relocate office's that belong to Linda, Amber, Cardiology, the Nurse Practitioners, and the School Teachers. The big "Patient Move Day" is scheduled for November 12th at 0630. At this time all patients and supplies from 8 north will be moved into 7 Central. Send me an email if you would like to come in for a few hours Nov 12th to help with the move. We would need you here by 0700. The preschool will also relocate to its original location on 7 Central. After the move on November 12th we will continue to staff 3 units; 7 North, 7 Central, and 7 West. We will have a maximum of 41 patients and utilize more private rooms. We do anticipate mid-December or the first part of January to move out of 7 north to allow the Women's Place to move in while their units are refurbished like ours were. We do anticipate we will be back on 7 North ASAP when Women's is complete. Thank you to everyone for all of your hard work, stressful days, and dedication to making the best out of a difficult transition time. We have a wonderful team and for that we will be forever grateful! Thank you all so much!

~ Linda and Amber
