

**009 – Access to the state’s Nurse Practice Act.** It is sufficient to provide web address(es) to access the most current version of the Act(s) available on the website. Otherwise, hard copy(ies) of the most current version of the Act(s) must be provided.

### Access to the State’s Nurse Practice Act:

The Virginia Board of Nursing website provides public access to the laws and regulations governing nursing practice in the Commonwealth of Virginia, as well as proposed changes for public awareness and comment:
